OUR PARTNERSHIP OPTIONS

Four ways to entrust us with your chalet

1. YEAR-ROUND OR SEASONAL LEASE

We lease your chalet under a year-round or seasonal agreement. The rental income is agreed in advance, while any weeks you wish to retain for your personal use are incorporated into the agreement.

2. COMMISSION-BASED MANAGEMENT

We manage the letting of your chalet, including its marketing across various booking platforms and on the Hotel Le Montana website.

We also handle enquiries, bookings and guest relations. Our commission is set at 30% of the total booking value.

3. OPERATIONAL PARTNERSHIP

You retain control of the marketing and booking process while we take care of all on-site operations, including chalet preparation, guest arrivals, housekeeping, concierge services, assistance and technical support.

4. TAILOR-MADE MANAGEMENT

We are open to alternative arrangements and can adapt our services to suit your individual requirements and the specific needs of your property.

We provide the required services for eligible owners to reclaim VAT paid on the purchase of their property, under either a management agreement or a lease.
